

# Receiving Messages for registered Club Managers and Coaches

To help explain this, we are going to sign in as the Team Manager (Betty Crocker) of the Blue Team, Grade Year 7, Juniors Division of the Example Cricket Club.

Once you have signed in, this is what your Club Homepage will look like on Sportcheck (that's if you are a coach or a manager of a team)

The screenshot shows the Sportcheck.co.nz website interface. At the top left is the logo with the tagline "GET THE MESSAGE". To the right is a search bar labeled "Find a Club or Team" with a "GO" button, and a link for "Admin Club Home Logout". A navigation menu includes "Home", "Club Registration", "How it Works", "Stop/Restart Text Delivery", "About us", and "Contact us".

The main content area is titled "Your Club" and includes a sidebar with "Club Homepage" and "Logout". The main heading is "Example Cricket Club - Club Homepage" with a sub-heading "Team Blue, Grade Year 7". Below this, it lists "Betty Crocker (027 431 1983)" and "John Smith (027 229 3832)".

A "Send a Message" section features a text input field, a "GO" button, and a "160 characters remaining" indicator.

The "Inbound Messages" section is divided into four categories, each with a "Posted:" box showing "No messages" and a "get text updates" option:

- Club Administration**: "Club Administration - get text updates. Have this message sent to your phone everytime it is updated? Enter your mobile number: [input] GO"
- Division: Juniors**: "Division: Juniors - get text updates. Have this message sent to your phone everytime it is updated? Enter your mobile number: [input] GO"
- Grade: Year 7**: "Grade: Year 7 - get text updates. Have this message sent to your phone everytime it is updated? Enter your mobile number: [input] GO"
- Team: Blue**: "Team: Blue - get text updates. Have this message sent to your phone everytime it is updated? Enter your mobile number: [input] GO"

Note how Betty can see a message slot from each manager above her, so if the Club Administrator was to send a message out it would appear in the Club Administrator slot

**It is important to note:** that for Betty to get any of these messages sent to her mobile phone she would have had to of replied Yes to the text message she received when we was first set up as a team manager. If she didn't reply Yes she will have to view them on the Sportcheck website.

Betty can at a later date decide to have messages sent to her phone by entering her mobile phone number in the slot provided. We will use Grade: Year 7 as an example

**Grade: Year 7**

 **Grade: Year 7 - get text updates**

Have this message sent to your phone everytime it is updated?

**Enter your mobile number:**

**GO**

When the Grade: Year 7 Manager sends a message out to the teams within that grade or just to Team Managers and coaches within the grade, Betty will receive the message to her phone as well as being able to view it on the website.

If Betty didn't reply Yes at the time she was first set up as Team manager and later decides that she wants to receive messages to her phone that the Divisional Manager sends out, she will have to enter her mobile number in the slot provided, just as she did with Grade: Year 7 above.
